The interns especially from reputed Economic Institutes/Schools/National Management Institutes/National Law Schools are expected to be instruments *par excellence* in adding flavour to the functioning of the Department. DEA would be able to assign such interns specific areas of work, especially relating to procedures and economic laws administered by the Department. The particular fields could be Capital Markets, Economic Reforms at macro level, Development Assistance to India from multilateral/bilateral financial institutions/countries, Exchange Management, Foreign Investment in India and Indian Investment abroad, Monetary Policy, Fiscal Policy, Tariff Policy, Domestic Regulations, Inflation Management, Debt Market Operation and Debt Management (External and Domestic), Small Savings, Modernisation of Budget Documents etc.
