1. Provision is for expenditure on Secretariat of Department of Land Resources.

2. The Department of Land Resources, Ministry of Rural Development has formulated a revised National Rehabilitation and Resettlement Policy, 2007, which was approved by the Cabinet and the same has been published in the Gazette of India on 31st October, 2007. The provisions of the NRRP-2007 provide for the basic minimum requirements that all projects leading to involuntary displacement must address. The State Governments, Public Sector Undertakings or agencies, and other requiring bodies shall be at liberty to put in place greater benefit levels than those prescribed in the NRRP-2007. The Principles of this

policy may also apply to rehabilitation and resettlement of persons involuntarily displaced permanently due to any other reasons. For effective implementation and monitoring of the Policy, monitoring mechanism, inter-alia, envisages setting up of National Oversight Body, National Monitoring Committee and Monitoring Cell.

3. 3.1 Integrated Wastelands Development Programme (IWDP), Drought Prone Areas Programme (DPAP) and Desert Development Programme (DDP) have been consolidated into a single programme named Integrated Watershed Management Programme (IWMP) in place of all the above mentioned three Area Development Programmes. The modified scheme of IWMP

has been approved by the Government and it is being implemented as per the Common Guidelines for Watershed Development Projects, 2008. This would be a Centrally Sponsored Scheme. The cost norm will be Rs. 12,000/- per hectare for the plains and Rs. 15,000/- per hectare for the hilly and difficult areas. The cost will be shared in the ratio of 90:10 between Centre and States. New components of dedicated institutions at State, District and Village level, livelihood activities for landless people have been incorporated in IWMP programme.

Watershed projects sanctioned upto 10th Plan will continue to be implemented as per existing guidelines. Under IWDP, project are undertaken on micro-watershed basis. The programme is implemented in project mode with the project size of about 5000 hectare. The project cost is Rs. 6000/- per hectare which is shared by the Central Government and State Government in the ratio of Rs. 5500/- and Rs. 500/- respectively. IWDP is currently being Implemented in 470 districts of the country. DPAP is an area development programme designed to tackle the problem of drought with long-term strategy of optimum utilization of land, water and other natural resources. This is a Centrally Sponsored Scheme and the funding is shared on 75:25 basis.

Between the Centre and the State Government from 1st April, 1999. The programme is Implemented in 972 Blocks in 195 Districts of 16 States. DDP aims at controlling desertification and to conserve restoration of ecological balance in the long run and also to raise the level of production, income, employment through irrigation, afforestation, dry land forming etc. Allocation is shared on 75:25 basis between the Centre and the State Government. The Programme is implemented in 235 Blocks in 40 Districts of 7 States.

4. A provision of Rs.1.00 crore has been made for Bio-fuel Scheme.

5. As part of Land Reforms, financial assistance was being provided to the States/UTs under two Centrally Sponsored Schemes, viz., (i) Computerization of Land Records (CLR) and (ii) Strengthening of Revenue Administration and Updating of Land Records (SRA&ULR). During 2008-09, these two schemes had been merged into one modified scheme in the shape of National Land Records Modernization Programme (NLRMP), combining the key components of the two schemes and rationalizing them into one integrated and enhanced scheme. The ultimate goal of the NLRMP is to usher in the system of conclusive titling with title guarantee, to replace the current system of presumptive titles in the country. All the activities under the NLRMP shall be taken up in a systematic manner which will converge in the district and the district will be the unit of implementation. All the districts in the country are expected to be covered under the programme by the end of the 12th Plan. A National-level Project Sanctioning and Monitoring Committee has been constituted under the NLRMP to, inter-alia, sanction the projects and proposals. The Committee has examined the proposals received from the States/UTs for release of funds and approved financial assistance to 104 districts of various States/UTs, so far.

7. Provision has been kept for projects/schemes for the benefit of North Eastern States including Sikkim.
